To whom it may concern:

I am writing this letter on behalf of Mary Bouman who is a guardian with Advocate Guardianship. I have worked with Mary since October, 2008. Mary has demonstrated that she is willing to go above and beyond when it comes to the getting the best possible care for those that she represents. Mary has always displayed a high degree of integrity, responsibility and dependability. Mary is a leader rather than a follower and finds solutions to unique problems that she comes across. She regularly follows up on her clients and has developed relationships with our staff to ensure that the residents needs are met. Mary is a great team player and has worked with the center staff very well. For all of these reasons, I can highly recommend Mary Bouman. I know that she will perform well and be an asset for those that she represents. Please feel free to contact me regarding this letter or my impressions of Mary.

Sincerely,
