To Whom It May Concern:

Re: Mary L. Bouman

It is my pleasure to write this letter of recommendation for Mary Bouman, who I have worked with as she has been a patient advocate for a patient of mine for years. Mary has been an outstanding advocate for my patient's care and has been responsive to her needs over the many years she has been involved in her care. I believe that through her diligent work, she has kept my patient in better health, and has made certain that she has maintained a very safe environment. I can strongly recommend Mary as a patient advocate, without reservation. Any family member who has Mary caring for them will be in the best of hands!

If you have any questions, or need any further information, please do not hesitate to call.

Thank you,

Sincerely,

A handwritten signature in black ink, appearing to be "E. Maier", with a long horizontal flourish extending to the right.
